NorthMet PSDEIS - DRAFT Chapter 5 Aquatic Comments - 08/03/2012 Commenter Name/Agency: MDNR/USACE/USFS

Comment #	Line #	Comments
46	240	Table 5.3.6-11 should be Table 5.3.6-12.
47	251	Table 5.3.6-12 should be Table 5.3.6-13.
48	253	A qualitative comparison macroinvertebrate likely would remain the same. Support this statement.
49	264	Table 5.3.6-13 should be Table 5.3.6-14.
